Kelly: No! What is it about?

John: That famous couple from TV is splitting.

Kelly: Really? That actress from the series and the handsome actor?

John: Yes. I used to think they were the dream couple. But now it is over!

Kelly: Oh! She used to be very dedicated, but since she broke her foot, she is having a hard time recording for TV...

Reading: That's a secret!

John: Yes. She used to be a hardworker, but she needs to recover. And the actor... Well, he was never a good husband.

Kelly: That is not true. He used to be so happy with her!

John: I don't think so...

Kelly: I used to know when these things were about to happen. Now I am not used to reading tabloids anymore.

John: You used to have free time!

Kelly: That's true. I used to have time for gossip!
